Directions taken off the Newby Hall website

A4 - Entrance Plan

Parking Layout

Parking area includes trees limiting the area to 160 display cars max. If you are with a group of more than 10 then you will have an allocated parking place. It will have a sign attached to one of the marker posts. Otherwise just park in an unmarked spot around the edge of the section.

The Orange strips are space to allow people to put chairs out. They will be marked out with two poles and barrier tape. Cars are meant to be boot to boot parking.

Directions

When you arrive at the main show field entrance. Please stick to the right side of the road when past the show field gate.

A4 will be on your right hand side. Opposite the left-hand turn to the trade stands. Please stay to the right hand side of the road.

Gazebos If your group is 10 or more then the space on your stand will include the Gazebo space. If you are in a smaller group, then please put your Gazebo in a sensible place that does not block the flow of traffic.

BBQs must be off the ground; low or tin tray BBQs are not allowed as they damage the grass. Hot ash should never be placed in the rubbish bins.

Tidy up It will have been a long day for SCITP team. So please tidy up after yourself, there will be enough bins.
